

Visiting Macculloch Hall Historical Museum

We will park near the museum. We can enter the museum through the front door. There is a garden and rooms where I can see interesting things.

When we are at the museum we will check in at the front desk. We can wear masks when we are inside.

There are restrooms that I can use.
There are sinks where I can wash my hands.

When I go into the galleries, I will remember to follow these rules:

- 1) I will stay with my group, my family or friends when I am visiting the museum. It is okay if I don't want to visit an area in the museum.
- 2) I will walk slowly. When I walk slowly I can look at all the artifacts.
- 3) I will touch only where I am allowed to touch.

PLEASE TOUCH

**PLEASE DO NOT TOUCH
THANK YOU**

- 4) I will speak quietly and use my inside voice.
- 5) I can not eat or drink in the galleries.
- 6) I will have fun if I follow these rules!

When I am on the main floor, I can see what a dining room, living room, and office looked like 200 years ago, and there will be things to touch!

While I am at the museum, I can see and touch these things:

In the garden I can follow the marked path to see and try new things.

I can even touch the plants that are in the sensory garden beds.

There are so many things to see and do at the Museum.

If I use my words, wait quietly, stay with my group, take turns, and ask for a break if I need one, I will have a good time!
